Student Guidelines and Procedures

Purpose - To provide educational experiences which tie together formal and informal learning. Student participation should contribute to the development of personal responsibility, moral values, cooperation, emotional maturity, self-discipline, social competence, individuality, leadership, realization of the value of group goals, and an understanding of democratic processes.

- Register for only one mini club per quarter.
- Permission slips will be handed out in order to attend.
- Children are required to follow the set “Participant Guidelines.” Students must be responsible participants by listening and exhibiting acceptable behaviors while in clubs. Attendance is a privilege and students continually disrupting instruction may lose club privileges.
- Children not following the guidelines may be sent home or suspended from the mini club. All school conduct rules apply.
- Sign up for clubs promptly by the due date. Club places are limited and are on a strictly first come, first served basis. To avoid any disappointment please sign up and reserve your children’s space as soon as possible.
- Do not send children to the first session of a club if they have not been already enrolled.
- Only enroll children in clubs that are advertised for their year group.
- Please arrange for your child(ren) to be picked up ON TIME. Be aware that if your child is not picked up on time, your child will be sent to Extended Day, where a charge will be incurred. Regular late pick-ups may incur a penalty charge by the club provider or in some cases parents may be asked to remove their child from the club.

*****Forms (and fees) are to be handed into Mrs. Zone in the office.**
